1. I would like to convey my appreciation to you and your office for the prompt and successful support in obtaining additional commercial parking spaces for the Intelligence Community (IC) Staff. I particularly want to thank [REDACTED] for his personal involvement in this endeavor.

2. I understand that considerable negotiations were conducted with the General Services Administration [REDACTED] for five additional parking spaces [REDACTED] N.W., Washington, D.C. This is the nearest commercial parking facility for the IC Staff, [REDACTED] As you are aware, this close facility affords us with good security protection to the IC Staff officials who park there and whenever classified material is handcarried by them. Additionally, these extra spaces have relieved a critical parking problem for us in an area where parking accommodations are at a premium. Thus, these spaces have been very well received.

3. Please accept our gratitude in this matter and give my personal thanks to [REDACTED] for a job well done.
